

# The Trial

1. Hear the e - vil all a - round Him, an - ger, en - vy, greed and pride;  
2. While their God is bound and blee - ding, hear their blind and des - p'rate scorn.

Pi - late, Ju - das, Pe - ter, Her - od, dri - ven by the fears in - side.  
Feel His weight of grief and an - guish, bowed and bat - tered, bruised and torn.

See the Lamb in full sub - mis - sion. Hear the si - lence in His soul.  
Je - sus, Je - sus, Man of sor - rows robed in suf - f'ring crowned with blood,

No com - plaints and no de - fen - ses; see the vic - tim in con - trol.  
Si - lent - ly You speak Your mer - cy. Through Your pain we hear Your love.
